Dear Bud,

Thanks for your nice letter. I am most pleased that the Board would move so quickly and that my article will appear next month. Thanks.

Although I'm no longer on active duty, I am still a servant of the U.S. Government and used Government support to assist me in preparing the article. Accordingly, I don't think it is proper for me to accept the check. I am returning it along with the copy of the standard contract. If it is possible for you to contribute this money to the Naval War College Foundation in my name, I would be grateful. If that doesn't work out, I'll understand.

Nice to hear from you again--and warm regards.

Yours,

STANSFIELD TURNER
